

Dear Permit Holder,

The Town of Harwich Harbor Management Plan, as amended March 30, 2009, states in section 3.10 “An individual may place his/her mooring under the direct supervision of the mooring servicing agent directly responsible for that area. The mooring servicing agent may charge a fee for this service”.

Due to conflicts involving property damage, failures to communicate and at the recommendation of the Harwich Waterways Advisory Commission, Chatham Mooring Services will require a one week WRITTEN notice from you if you intend to place your own mooring in Round Cove or Pleasant Bay. This notice can be by email or regular mail. This notice must be received at least one week before the day you intend to place the mooring to insure proper scheduling and will include both the date and the time you would like to meet the mooring servicing agent at Round Cove. You will be charged for this service.

If Chatham Mooring Services places and maintains your mooring please disregard this Notice.

Thank you.
